

"WE'VE GOT A WOMAN IN CHARGE, SO WE'RE DEFINITELY NOT SEXIST"

An analysis of the The Sun's front page on 12th July 2016

BORING.

Actually more similar to Gordon Brown in regards to getting "in" at No. 10 but that doesn't sound as clever as comparing her to the ONLY OTHER BRITISH FEMALE PRIME MINISTER EVER.

Oh and what the actual fuck Tony Gallagher... do not drag Rod Stewart into this.

"Can anyone find a picture of May as a dominatrix? OK quick brainstorm of other sexist tropes related to women over 40" "... ummm cackling evil witch?" "That'll do it."

This is not a coincidental picture. The first page of Google images of May are almost entirely her looking stern or smiling. They had to dig deep for one that makes her look like the laughing old stepmother-witch from Snow White.

Ooh sexy! So it's like, they got a picture of her shoes, because LADIES LOVE SHOES AND MAY IS A LADY and then they needed a shoe pun to rationalise the objectification (i.e. reducing her to a body part) so they thought hmmm HEEL, and then they thought ooh if we say HEEL, we can make it like she's a dog trainer and all the male politicians are dogs, and yeah she's kind of like a dominatrix too so someone just got a promotion for unnecessarily sexualising Theresa May on the front cover of the Sun as a reminder that no matter how old you are, or how much power you have, if you a woman, the press WILL SEXUALISE YOU, in a covert attempt to belittle you.

"WE SHOWED HER STANDING ON TOP OF THE MEN SO WE'RE DEFINITELY NOT SEXIST."
